Payment slips must be downloaded/printed, and payments can be made at CaixaBank ATMs (with any card), at Banco Santander branches, or via online banking (available only to Banco Santander customers). Students should check their card limit beforehand.

If you choose an instalment payment (10 instalments), payments from September to May (9 instalments) must be made by direct debit by completing the SEPA mandate. From September onwards, payments will be charged on the 15th of each month. Any returned direct debit will incur a €50 surcharge. In the event of a change of bank account, a new SEPA mandate must be completed, and the change must be requested to the ESCI-UPF Economic Management Department before the end of the previous month.

Payment slips and card payments have specific due dates depending on the selected payment method. Once these deadlines have passed, they become invalid and must be reissued by the Economic Management Department, with the corresponding late payment fees applied.
