**Weeks:** 1 week.

**Course dates:** 8 July 2024 – 12 July 2024.

**Course Prerequisites:** Not applicable.

**Language Requirements:** B2 in the European framework (equivalent in Cambridge certificate).

**Course Description:**

The course focuses on the analysis of global organizational structures and international strategies, highlighting corporate challenges in the face of the complexity of the global economy. The main goal is to cultivate a deep understanding of how to achieve a competitive advantage, sustain it over time, and the ability to replicate it to target markets during the internationalization process.

Addressing the main question of international strategic management, which is to understand what determines the success or failure of a company when it enters a new country. Exploring global strategies will be essential, ranging from market expansion to effective management of internal competencies.

Beyond corporate strategies, the course will devote special attention to cross-cultural negotiation and soft skills strategies. To achieve business success on a global scale, the fundamental principles of international negotiation must be understood. And to understand these multicultural factors, specific cases of negotiation dynamics in China, India, Egypt and other multicultural business contexts will be studied.

**Learning Objectives:**

1. Understanding of analytical tools for the development of internationalization strategies.
2. Management of negotiation skills and *soft skills* in globalized environments.
3. Development of decision-making capacities in a globalized and dynamic environment.

**Course Workload:**

The course workload will consist of engaging master classes that encourage active
student participation, which might involve the reading of case studies, and articles to foster a comprehensive understanding of the subject matter.

**Methods of Instruction:**
The course will adopt the modality of master classes with an active approach to learning, promoting the active participation of students.

During the sessions, the deepening of theoretical concepts will be integrated with the review of current news and the analysis of case studies and articles to understand the practical applicability of the concepts in the contemporary context.

**Method of Assessment:**
The final grade will be determined by the weighted average of class participation and an online questionnaire on the concepts acquired in the subject.

1. Class Participation: 80%
2. Questionnaire: 20%

**Absence Policy:**
Attending class is mandatory and will be monitored daily by professors. The impact of absences on the final grade is as follows:

<table>
<thead>
<tr>
<th>Absences</th>
<th>Penalization</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to one (1) absence</td>
<td>No penalization</td>
</tr>
<tr>
<td>Two (2) absences</td>
<td>1 point subtracted from final grade (on a 10 point scale).</td>
</tr>
<tr>
<td>Three (3) absences</td>
<td>The student receives an INCOMPLETE for the course</td>
</tr>
</tbody>
</table>

The BISS attendance policy does not distinguish between justified or unjustified absences. The student is deemed responsible to manage his/her absences.

Emergency situations (hospitalization, family emergency, etc.) will be analyzed on a case-by-case basis by the Academic Director of the UPF Summer School.

**Classroom Norms:**
- No food or drink is permitted.
- There will be a ten-minute break during the class.
- Students must come to class fully prepared.
